

REQUEST FOR WAIVER OF SUBROGATION

You must include a copy of the contract between party requesting waiver and the insured. If insured is still in the bidding phase and has not entered into a contract at point of request, you must include a copy of the job specs or bid specs.

If waiver is not specifically required in the contract, we will not add this coverage to our policy and the following information is not needed.

Please complete this form and return with copy of the contract or job/bid specs.

1. WHAT IS THE EXACT NAME OF PARTY REQUESTING THE CONTRACT?
2. WHAT IS THEIR INTEREST WITH OUR INSURED?
3. WHAT IS THE EXPECTED TIME/DURATION OF THE CONTRACT?
4. IF CONSTRUCTION RELATED: a) Please provide detailed description of the job involved where waiver is being requested. b) What is the cost of the contract/job? c) What is the insured's experience in this type of work? d) Will the insured be subbing out any portion of the work? What is the cost of these subs? e) What date is construction planned to begin? f) If work is contemplated or required <i>where a classification is not already on our policy, complete the following:</i> 1) What will the payroll and cost be for the class(es) not already on file. Break payroll between class codes to be added and the class(es) already on file. 2) Will the insured be subbing out any portion of this work? <input type="checkbox"/> YES <input type="checkbox"/> NO If yes, what part? What is the cost of these subs? 3) What is the insured's experience in this type of work?
